Engineers, LLC

2013 – 2015: Dugan Tool and Die

2013: John J. Stueby Co.

2011 – 2013: Alamo Group

Alex Rose joined our firm in 2015. Since joining Milano & Grunloh, Alex has assisted with the design and planning preparation of many projects.

### Christopher Rural Health

Christopher Rural Health is a comprehensive primary health care facility with multiple locations around Illinois. Milano & Grunloh Engineers provided topographic and boundary survey services, as well as site design services, which included on-site grading, storm water pollution prevention, construction staking, material testing, GPS files for excavation equipment, and many other services. The site consists of a 5,500 SF building, with future plans for an additional 5,000 SF building addition in the future. Milano & Grunloh were able to meet all code requirements for the City, while maintaining aesthetic appeal on site.

### Hobby Lobby

Hobby Lobby opened a new store in Effingham in 2019. Milano & Grunloh Engineers assisted in the revitalization with providing an ALTA Survey and topographic survey for the site, as well as furnishing construction staking, construction inspection, and material testing.

### HSHS St. Anthony's Health Center

In late 2018, HSHS St. Anthony Memorial Hospital in Effingham completed construction on the new two-story Effingham Medical Center with each story being 23,169 SF. Milano & Grunloh Engineers provided an ALTA survey, civil design, site plan, on-site construction staking, storm water pollution prevention planning and inspection, and material testing for this project.
