

Cody Bohnhoff

Survey Crew Chief

Education:

Attended Lake Land College, Mattoon, IL

Certifications:

OSHA 10-Hour General Industry Training Course
Pipeline Awareness for Excavator Operations
Pipeline Emergency Response and Damage Prevention

Employment:

2008-Present: Milano & Grunloh Engineers, LLC

Cody Bohnhoff joined our firm in 2008 and serves as Survey Crew Chief. Cody has experience in the field in the performance of topographic and boundary surveys. He also has performed construction staking.

Christopher Rural Health

Christopher Rural Health is a comprehensive primary health care facility with multiple locations around Illinois. Milano & Grunloh Engineers provided topographic and boundary survey services, as well as site design services, which included on-site grading, storm water pollution prevention, construction staking, material testing, GPS files for excavation equipment, and many other services. The site consists of a 5,500 SF building, with future plans for an additional 5,000 SF building addition in the future. Milano & Grunloh were able to meet all code requirements for the City, while maintaining aesthetic appeal on site.

Hobby Lobby

Hobby Lobby opened a new store in Effingham in 2019. Milano & Grunloh Engineers assisted in the revitalization with providing an ALTA Survey and topographic survey for the site, as well as furnishing construction staking, construction inspection, and material testing.

HSHS St. Anthony's Health Center

In late 2018, HSHS St. Anthony Memorial Hospital in Effingham completed construction on the new two-story Effingham Medical Center with each story being 23,169 SF. Milano & Grunloh Engineers provided an ALTA survey, civil design, site plan, on-site construction staking, storm water pollution prevention planning and inspection, and material testing for this project.
